OneVision World SideBar | Update notice

Edit

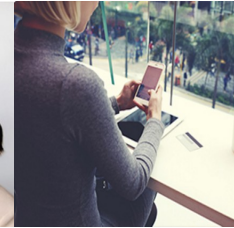

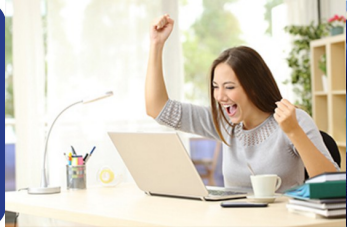

An update has been automatically installed to ensure you have the latest version of the OneVision sidebar installed.

HOW TO DOWNLOAD YOUR SIDEBAR

The image is a composite showing a sidebar on the left and a website screenshot on the right. The sidebar contains several icons: a globe, an envelope, a speech bubble, a RSS feed, and a grid of social media icons (Facebook, YouTube, Twitter, LinkedIn, Pinterest, Google+, Instagram, and Behance). Below these are logos for 'GAMEWORLD' and 'skype™'. A red arrow points from the globe icon in the sidebar to the 'Download' button on the website. The website screenshot shows a browser window with the address 'World | Partne x Awesome Electron Desk x' and the URL 'ld.com/releases/stable'. The page has a blue header with the word 'Download' and a large black section with the text 'Download our Electron App' and 'Windows'. Below this is a green button with a white download icon and the version number '0.8.2'. Further down, it says '2 days ago' and 'Change Notes'.
